### **School Background**

Islamic Primary School is a whole-day aided school located in Yau Oi Estate, Tuen Mun. The Chinese Cultural and Fraternal Association founded the school in 1980.

### **School Motto**

The school motto is, “Scholarship and Fraternity — Be Well Educated and Love Others”.

### **School Vision**

Our school is dedicated to helping students achieve balanced development in the following six areas: morality, intelligence, physical fitness, team spirit, art appreciation and emotional well-being. We strive to provide the very best learning environment for our students. In order to accomplish this, we first encourage a high professional standard for our teachers. Moreover, through our curriculum and extra-curricular activities and community projects, students are encouraged to become risk takers who in turn develop a positive outlook becoming responsible and respectful individuals.

### **School Mission**

Our school mission is promoting harmony among different ethnic groups as we strive to create an ideal learning environment supported and complemented by professional teachers. By guiding students with patience and competence while providing individual counseling and care, the school nurtures a cohort of young people who are self-confident. Through offering a school-based curriculum, support programs and a wide variety of learning opportunities, the school helps students to develop their potential as they learn to become a part of the wider learning community in the school and the world.
