Lunch Arrangement and Lunch Box Ordering App

E/IC/SC/26/3
1st September 2026

Dear Parents,

School lunch starts on the 7th of September 2026 (Monday). Students are required to have lunch at the school between 12:40 p.m. and 1:35 p.m. Parents should choose one of the three lunch arrangements for their children.

(A) Order lunch boxes from “Uncle Bento”, the lunch supplier, through the “Uncle Bento by HKT” mobile APP:

- 1) If you choose to order lunch boxes through the “Uncle Bento by HKT” mobile APP, you must place **order monthly**. Each lunch box costs HK\$27.00. Lunch boxes will be provided starting on 7th September (Monday). The price for September is HK\$ 405.00 (HK\$27.00 × 15 days).
- 2) Parents must order lunch boxes through the “Uncle Bento by HKT” mobile APP **on or before the 20th of each month except for September**. Late orders will not be accepted.
- 3) **Lunch box cancellation**: If a student takes leave due to illness or other reasons, parents should log in to the mobile APP **from 6 am to 9 am** to cancel the order on that day by themselves. After the specified time mentioned above, no refund will be given. The refund amount will be displayed in the APP next month and students can apply for deduction at the time of payment. If the meal service has been suspended for more than two months, the supplier will refund it in cash. Any lunch box cancellation through telephone or WhatsApp is not accepted.

(B) Parents bring lunch to school:

Parents choosing to bring lunch to school should enter through the main entrance between **12:00 and 12:30**, put the lunch bags in the collection box, and they will be delivered to the class by our janitor. You should mark down the student’s **name** and **class** on the lunch bag(s).

(C) Students bring their own lunch:

Lunch boxes should be packed properly. Lunch containers should be put in plastic bags or recycled bags instead of the school bag to prevent the student’s books from getting dirty.
